DETAILED ACTION

EXAMINER'S AMENDMENT

1. The application has been amended as follows: in the Preliminary Amendment filed on 02 August 2002, page 1, line 8, change the date "20" to --- 26 ---.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: there are no references teaching or suggesting of an indicator that indicates when actual position coordinates of a movable device are a predetermined distance from a boundary defined by predefined fixed position coordinates, wherein the movable boundary detection device, comprising:

(a) a receiver operable to receive a positioning signal including actual position coordinates of a movable device in a first space;

(b) a memory module including a memory to store predefined fixed position coordinates for defining a boundary between a second space and the first space;

(c) a processor module connected to the receiver and the memory module and operable to compare the actual position coordinates to the predefined fixed position coordinates; and

(d) an indicator connected to the processor module and operable to indicate when the actual position coordinates are a predetermined distance from the boundary between the first space and the second space.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
